APEX INITIATES ACQUISITION OF VOLUME LEGAL SERVICES BUSINESS

Apex Corporate Finance is pleased to announce that we have recently initiated the acquisition of a volume legal services business specialising in conveyancing and property related legal services.

Paul Warren, Managing Director of Apex Corporate Finance commented “The volume legal services market place is undergoing significant structural change and consolidation. This looks set to continue with the Legal Services Bill which permits law firms to adopt more commercial structures of ownership and as the traditional law firms look to position their volume businesses to maximise value and growth”.
